

## RELEVANT INCENTIVES FOR RBIDZ INVESTORS

INCENTIVE SCHEME	DESCRIPTION	OBJECTIVES	WHAT THE SCHEME OFFERS	WHO BENEFITS / IS ELIGIBLE
<b>Automotive Incentive Scheme (AIS)</b>	The AIS is a taxable cash grant incentive designed to grow and develop the automotive sector through investment in new and/or replacement models and components that will increase plant production volumes, sustain employment and/or strengthen the automotive value chain.	The AIS was designed to grow and develop the automotive sector through investment in new and/or replacement models and components that will: <ul style="list-style-type: none"> <li>• increase plant production volumes</li> <li>• sustain employment</li> <li>• strengthen the automotive value chain.</li> </ul>	<ul style="list-style-type: none"> <li>• The AIS provides for a <b>taxable</b> cash grant of 20% of the value of qualifying investment in productive assets approved by <b>the dti</b> disbursed over three years.</li> <li>• An additional taxable cash grant of 5 or 10% may be available to projects that are found to be strategic by <b>the dti</b>.</li> <li>• An additional taxable cash 5% of the value of qualifying investment in productive assets may be available to projects that meet the requirements as stated in the guidelines (paragraph 7.2).</li> </ul>	The applicant must: <ul style="list-style-type: none"> <li>• be a light motor vehicle or automotive component manufacturer.</li> <li>• be a registered legal entity in South Africa in terms of the Companies Act, 1973 (as amended); or the Close Corporations Act, 1984 (as amended), and must undertake manufacturing in South Africa.</li> <li>• be a taxpayer in good standing and must in this regard, provide a valid tax clearance certificate before the AIS grant is disbursed.</li> </ul> <p><i>Light Motor Vehicle Manufacturers</i></p> <ul style="list-style-type: none"> <li>• Should have achieved or can demonstrate that it will achieve, within three years, a minimum of 50 000 annual units of production per plant.</li> <li>• Should demonstrate that it will achieve within three years a</li> </ul>

				<p>minimum of 50 000 annual units of production per plant.</p> <p><i>Component Manufacturers or Deemed Component Manufacturers</i></p> <ul style="list-style-type: none"> <li>• A component manufacturer that can prove that a contract is in place and/or a contract has been awarded and/or a letter of intent has been received for the manufacture of components to supply into the light motor vehicle manufacturer supply chain locally and/or internationally;</li> <li>• A component manufacturer that can prove that after this investment it will achieve at least 25% of total entity turnover or R10m annually by the end of the first full year of commercial production, as part of a light motor vehicle manufacturer supply chain locally and/or internationally.</li> </ul>
<b>Business Process Outsourcing and</b>	The BPO&O incentive programme is one of the elements of a holistic	The objective of the incentive is to attract BPO&O investments that create	The BPO&O Investment Incentive comprises an Investment Grant ranging	<ul style="list-style-type: none"> <li>• The incentive is offered to local and foreign investors establishing projects that aim</li> </ul>

<p><b>Off-shoring (BPO&amp; O)</b></p>	<p>value proposition to position South Africa as a preferred location for BPO&amp;O operations, alongside the sector skills development initiatives, a dedicated investor-friendly set up process, and a programme to improve industry service standards.</p>	<p>employment opportunities.</p>	<p>between R37 000 and R60 000 per seat and a Training Support Grant towards costs of company specific training up to a maximum of R12 000 per agent.</p>	<p>primarily to serve offshore clients.</p> <ul style="list-style-type: none"> <li>· <b>the dti</b> determines whether an applying project is eligible to benefit from the incentive on the basis that: <ul style="list-style-type: none"> <li>- A project may involve starting a new operation or expanding an existing one to perform business process outsourcing and off-shoring activities; and can include more than one physical location.</li> <li>- The investment project must, by the end of its second year in operation be adding to the South African productive capacity for BPO&amp;O to an extent that it will establish an operation of at least 100 seats, and be creating at least 200 additional jobs, defined as full-time equivalents of 'agents' directly working on the project.</li> <li>- The investment project must commence its commercial operations within one year from envisaged date of BPO incentive grant approval.</li> </ul> </li> </ul>
--	---	----------------------------------	---	---

				<ul style="list-style-type: none"> <li>- The investment project can be a cost center of an existing operation, a branch of an existing entity, a joint venture between entities. In a joint venture arrangement at least one of the parties must be registered in South Africa as a legal entity.</li> <li>- The investment project must operate activities classifiable as that of business process outsourcing and off-shoring and must generate at least 90% of its revenue from activities that service offshore clients.</li> <li>- Projects locating in a Designated Area will be excluded from the 90% off-shoring requirements mentioned above.</li> </ul>
<b>Capital Projects Feasibility Programme (CPFP)</b>	The incentive is a cost-sharing programme providing a contribution to the cost of feasibility studies that are likely to lead to projects outside South Africa that will increase local exports and	<ul style="list-style-type: none"> <li>• The primary objective is to facilitate feasibility studies that are likely to lead to projects that will increase SA exports and stimulate the growth of the local capital goods and services sector and</li> </ul>	<ul style="list-style-type: none"> <li>• The programme's contribution is in the form of a cost sharing grant up to a maximum of 50% of the total feasibility study costs for projects outside Africa and 55% for projects in Africa.</li> </ul>	<ul style="list-style-type: none"> <li>• Feasibility Study and Feasibility Study Promoter Criteria. Studies that fulfill the following criteria will be eligible to apply for an advance through the programme: <ul style="list-style-type: none"> <li>- Studies must be undertaken by South African</li> </ul> </li> </ul>

	<p>stimulate the market for South African capital goods and services.</p>	<p>allied industries.</p> <ul style="list-style-type: none"> <li>• The secondary objectives include: <ul style="list-style-type: none"> <li>- Attracting higher levels of domestic and foreign investment.</li> <li>- Strengthening the international competitiveness of South African businesses.</li> <li>- Creation of jobs in South Africa.</li> <li>- Stimulation of project development in Africa and particularly in the Southern Africa Development Community (SADC) countries.</li> <li>- Support for the objectives of the new Partnership for Africa's Development.</li> <li>- Promoting linkages with and development of small, medium and micro enterprises and black economic empowerment business.</li> </ul> </li> </ul>	<ul style="list-style-type: none"> <li>• The size of the grant falls within the range of R100 000 to R5 million.</li> </ul>	<p>companies</p> <ul style="list-style-type: none"> <li>- Although it should be aimed at achieving local content of 50% in the feasibility study and project in terms of goods and professional services, this percentage will remain at the discretion of the Adjudication Committee.</li> <li>• Project Criteria: The project must fulfill the following non-financial criteria: <ul style="list-style-type: none"> <li>- New projects, expansion of existing projects and rehabilitation of existing projects;</li> <li>- All capital goods sectors are eligible for programme funding;</li> <li>- The project that is anticipated to lead from the study must fulfill the objectives of the programme;</li> <li>- The minimum local content of the project should be 50%, but in cases where this is not achieved, the application will be evaluated as described in the programme guidelines;</li> <li>- Projects can be situated</li> </ul> </li> </ul>
--	---	--	---	---

				anywhere in the world • (excluding South Africa), while projects in Africa will be encouraged; - The project must have an adequate chance of being declared a success.
<b>Critical Infrastructure Programme (CIP)</b>	<ul style="list-style-type: none"> <li>The Critical Infrastructure Programme (CIP) is a non-refundable, cash grant that is available to the approved beneficiary upon the completion of the infrastructure project.</li> <li>The scheme covers between 10% and 30% of the total development costs of the qualifying infrastructure.</li> <li>The infrastructure for which funds are required is deemed to be 'critical' if: <ul style="list-style-type: none"> <li>- the investment would not take place without the CIP</li> </ul> </li> </ul>	<ul style="list-style-type: none"> <li>The CIP is an incentive for projects that support infrastructure necessary for the establishment of investment projects. The key objectives of the programme are to: <ul style="list-style-type: none"> <li>- support the competitiveness of South African industries by lowering business costs and risks.</li> <li>- provide targeted financial support for physical infrastructure that will leverage strategic investment with positive impact on the economy.</li> <li>- Stimulate upstream and downstream linkages, taking into account government</li> </ul> </li> </ul>	The approved beneficiary will be reimbursed in two phases upon receipt of such claims from the entity. The approved amount to be claimed in each of the phases will be determined by the beneficiary.	<ul style="list-style-type: none"> <li>Private sector enterprises that are legal entities, incorporated and registered in terms of the Companies Act (Act No. 69 of 1984, as amended), and any external legal entity registered in terms of Chapter XIII of the Companies Act (Act No. 61 of 1973, as amended).</li> <li>Public sector enterprises (i.e. public entities).</li> <li>Private-Public Partnerships (PPP) comprising: <ul style="list-style-type: none"> <li>- Local government and a private legal entity;</li> <li>- Local government and a public enterprise;</li> <li>- Public enterprise and a private legal entity;</li> <li>- Combination of any of the</li> </ul> </li> </ul>

	<p>funding contribution;</p> <ul style="list-style-type: none"> <li>- the infrastructure projects would be executed without the CIP contribution;</li> <li>- it can be proven that it would be of a smaller scale or lower quality;</li> <li>- it would be established at a later stage than at the period when it was intended.</li> </ul>	<p>priorities such as growth and employment, BEE, Integrated Rural Development, Urban Renewal Strategies and Spatial Development.</p> <ul style="list-style-type: none"> <li>• The CIP supports only the construction of the infrastructure that enables the investment project or the expansion of existing fixed investment. Under no circumstances will the CIP fund the investment itself unless the infrastructure is the investment itself.</li> </ul>		above.
<b>Co-operative Incentive Scheme (CIS)</b>	<p>The Co-operative Incentive Scheme is a 90:10 cost-sharing cash grant for registered co-operatives. The maximum grant that can be offered to one co-operative entity under the scheme is R300 000. This is an incentive for cooperative enterprises in</p>	<ul style="list-style-type: none"> <li>• Promote co-operatives through the provision of a cost-sharing grant.</li> <li>• Improve the viability and competitiveness of co-operative enterprises by lowering the cost of doing business.</li> <li>• Assist co-operatives to</li> </ul>	<ul style="list-style-type: none"> <li>• Business development services</li> <li>• Feasibility studies / market research</li> <li>• Production efficiency</li> <li>• Technological improvement projects.</li> <li>• Plant and machinery costs</li> <li>• Start-up requirements at the discretion of CIS Adjudication Committee.</li> </ul>	<p>Eligible entities should:</p> <ul style="list-style-type: none"> <li>• be incorporated and registered in South Africa in terms of the Co-operatives Act of 2005;</li> <li>• be operating or will operate in the emerging sector;</li> <li>• adhere to co-operative principles;</li> <li>• be an emerging co-operative</li> </ul>

	the emerging economy to acquire competitive business development services.	<p>acquire their start up requirements.</p> <ul style="list-style-type: none"> <li>Build an initial asset base for emerging co-operatives to enable them to leverage other support.</li> <li>Provide an incentive that supports Broad-Based Black Economic Empowerment (BBBEE).</li> </ul>	<ul style="list-style-type: none"> <li>Working capital requirements limited to the initial trading stock requirements of start-ups.</li> </ul>	<p>owned by historically disadvantaged individuals;</p> <ul style="list-style-type: none"> <li>be rural and semi-urban biased;</li> <li>be biased towards women, youth and people with disabilities.</li> </ul>
<b>Enterprise Investment Programme (EIP)</b>	<p><b><i>Manufacturing Investment Programme [MIP]</i></b></p> <p>The MIP is an investment incentive designed to stimulate investment growth, in line with the South African government's National Industrial Policy Framework.</p>	<ul style="list-style-type: none"> <li>To stimulate investment within the manufacturing industry. Qualifying investment costs would comprise machinery, equipment, land and buildings, and commercial vehicles.</li> <li>To enhance the sustainability of manufacturing investment projects by small enterprises and to support large-to-medium-sized investment projects in manufacturing that</li> </ul>	<ul style="list-style-type: none"> <li>The MIP offers an investment grant of up to 30% of the value of qualifying investment costs in machinery, equipment, commercial vehicles, land and buildings, required for establishing a new production facility; expanding an existing production facility; or upgrading production capability in an existing clothing and textile production facility.</li> <li>Investment projects of R5</li> </ul>	<ul style="list-style-type: none"> <li>Small Projects (investment projects of R5m and below).</li> <li>Medium-to-Large Projects (investment projects of above R5m).</li> </ul>

		<p>would otherwise not be established without the grant.</p>	<p>million and below may qualify for an investment grant equal to 30% of their total qualifying investment cost, payable over a three year period.</p> <ul style="list-style-type: none"> <li>• Investment projects of above R5m may qualify for an investment grant of between 15% and 30% of their qualifying investment costs, and payable over a two year period This investment grant cannot exceed R30m.</li> <li>• Foreign investment projects may qualify for an additional grant for the cost of transporting their qualifying machinery and equipment to South Africa. The additional grant is the lower of 15% of the value of qualifying imported machinery and equipment or the actual transport costs of relocating qualifying new machinery and equipment from</li> </ul>
