About Us

Since 2019, MCLAU Solutions Pty Ltd has been manufacturing and supplying a very unique range of detergents to the end user. At MCLAU Solutions we manufacture our own range of products on site where we ensure that our clients receive only the highest quality & brightest results.

MCLAU Solutions is 100% Youth, 100% Women & 100% Black owned company. The company is based in Northern Cape, Kathu with an extended footprint in Gauteng in association with an established company with the capacity for research, development, manufacturing, warehousing and distribution.

We specialize in the manufacturing and distribution of detergents products / Cleaning Materials / chemical and paper products to retailers and customers. Not only do we manufacture but we also supply cleaning consumables, cleaning and maintenance services of i.e Workshops, plants, offices, households, etc.

Our products are tested at Tshwane University of Technology, technology innovation agency inline with SABS Quality Standards.

We believe in "core" business, "COST and RESULT". Your products get delivered to your door personally or through couriers. We believe and strive for a relationship with our clients which we build through service excellence, regular visits, staff training and a great 'result orientated' product.

Our success is primarily based on customising client requirements to create true commercial value for the client. This fundamental principle drives high client loyalty and in turn focuses our joint attention towards:

- Reducing Client Procurement Costs
- Reducing Client Transaction Costs
- Improving Client Labour Productivity
- Improving Client / End User Relationships

Vision And Mission

Vision

Our company vision is to expand our horizons and to make our company the leader in manufacturing and supply of cleaning detergents and industrial cleaning products. We aim to provide quality service to all our customers' needs

Mission

To establish good relationships with our clients and other stakeholders.

To consistently research methods of improving our products to ensure that we are always in compliance with industry requirements, standard and trends.

Company

Goals

Our aim is to increase our local businesses, provide customers with excellent products at great prices. To grow and open new distribution points around Gauteng and become the largest independent cleaning manufacturing company in South Africa

- Simplify the lives of our customers

We understand that our customers are judged by the highest standards of quality and service. The facilities they care for are expected to be hygienic and environmentally sound - an ever-changing, never-ending challenge. We, the people of MCLAU Solutions promise to be a full partner in helping our customers meet and exceed these expectations.

- Strengthen Customer Service

We don't want our customers to take their money elsewhere because they aren't highly satisfied. We want to create a high-quality, sustainable customer service plan as one of our best investments. We want to establish and maintain excellent customer service. We care about our customers, and we want to attract new leads, improve our brand image, building loyalty and expanding our growth.

- Increase Overall Brand Awareness

We want to:

1. Prioritize consistency
2. Be about more than just our products
3. Give back to our community
4. Partner with like-minded influencers
5. Advertise with intelligence
6. Become a sponsor
7. Be memorable with our output
8. Measure brand awareness to increase it.
